

NC 1x21

TACTICAL CQB SIGHT

Display

The NC 1x21 is powered by a single CR2032 battery and is ideal for tactical law enforcement and military applications as well as a variety of commercial and recreational uses. This sight allows for rapid, accurate target acquisition with both eyes open — ideal for close quarters combat. The NC 1x21 features a tools-free Picatinny mount, picatinny extension adapters, tactile windage and elevation adjustments and multiple aiming point brightness levels. NC 1x21 can be mounted on various rifles and handguns.
