

NCFL 9G

TACTICAL LED FLASHLIGHT

NCFL 9G

The NCFL 9G was developed with the cooperation of military experts and professionals to develop a rugged, easy to use tactical flashlight. The unit has a built-in laser feature to assist with precision aiming. The NCFL 9G tactical LED flashlight can be mounted on variety of pistols and other weapons with a standard Picatinny Mount. The remote pressure switch, which operates the flashlight and the laser aimer, supplies an additional tactical advantage.
